

Year 6: Spring Term

Frozen Kingdoms

Literacy

- Non-chronological reports
- Poetry
- Newspaper reports
- Adventure narratives
- Polar presentations
- Class text: The Wolf Wilder by Katherine Rundell

Mathematics

- Fractions including add, subtract, multiply and divide
- Co-ordinates, reflections, translations
- Decimals to 2 decimal places including add, subtract, multiply, divide and change to fractions.
- Percentages

Science

- Classification
- Why are things classified?
- Polar adaptations
- Electricity

Our topic this term is all about the polar regions- from animals and landscapes to expeditions and adventure stories.

Our class text, The Wolf Wilder, explores the frozen kingdoms, immersing us into a different, exciting world of Russia at a time of revolution.
